A diagram of an IPSC-style target. It consists of several concentric circles. The center is a small white circle labeled 'X'. Surrounding it is a ring labeled '9'. The next ring out is labeled '8'. The outermost ring shown is labeled '7'. The target is centered on a larger, light gray circular background.

7 8 9 X 9 8 7

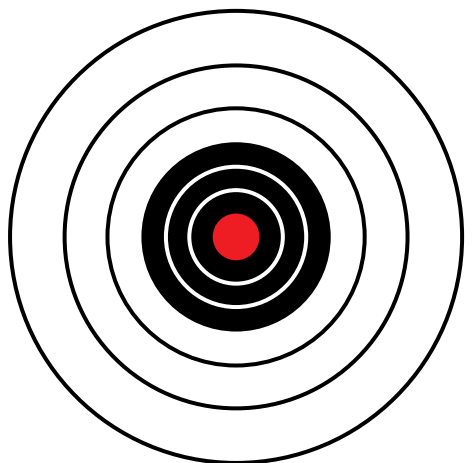

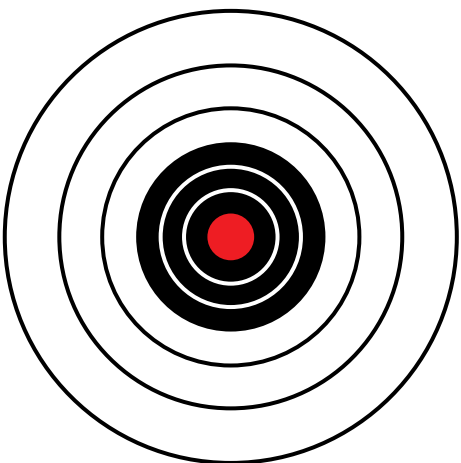

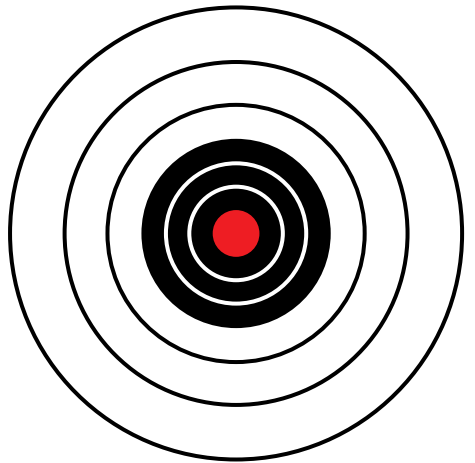

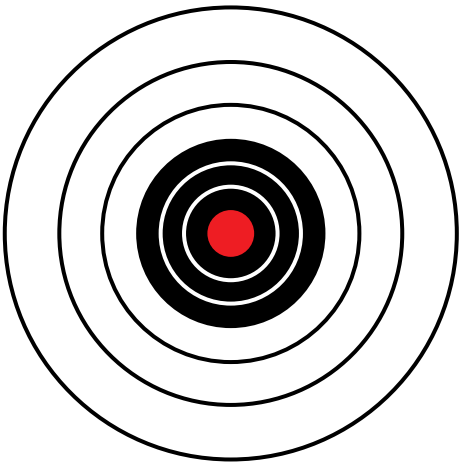

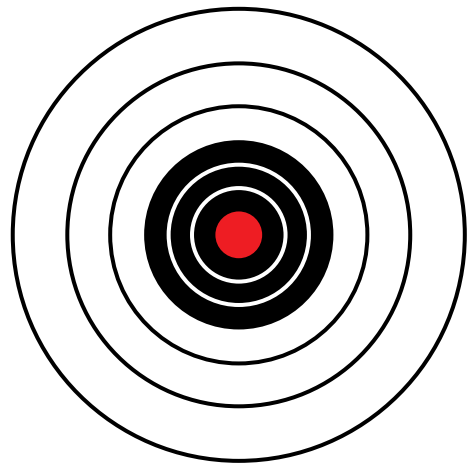

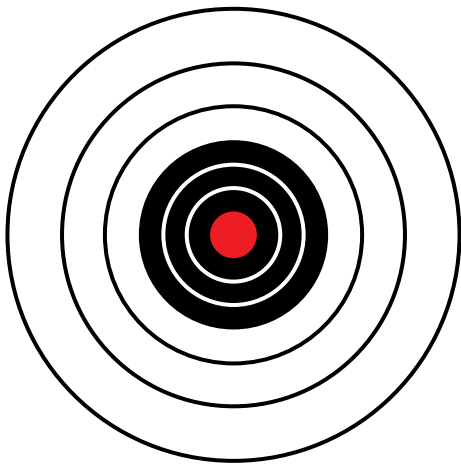

The FULL version contains 78 targets plus a few other bonuses...

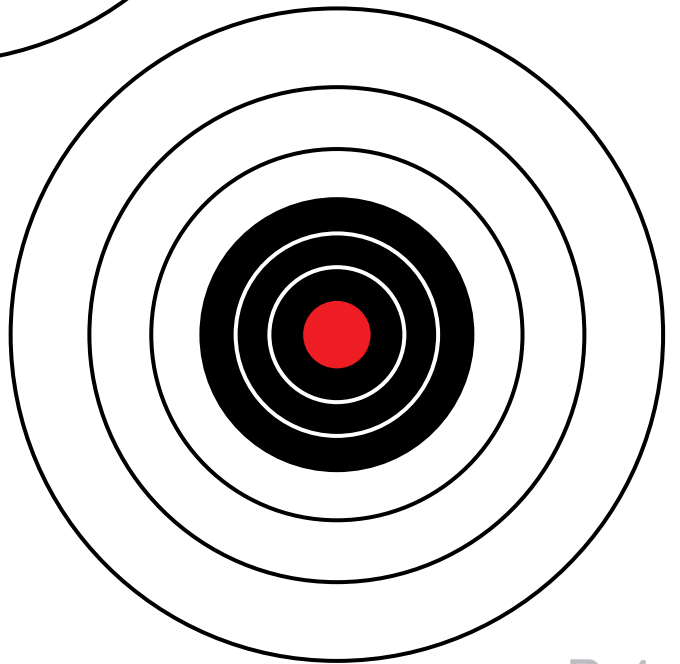

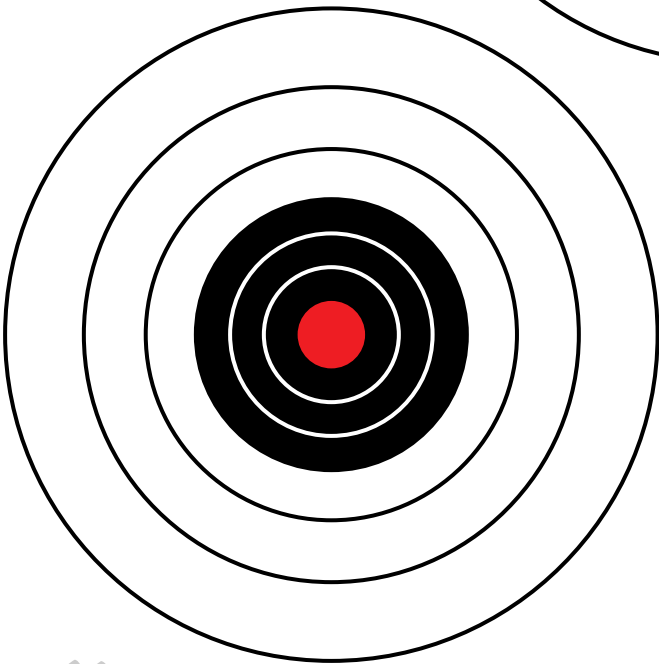

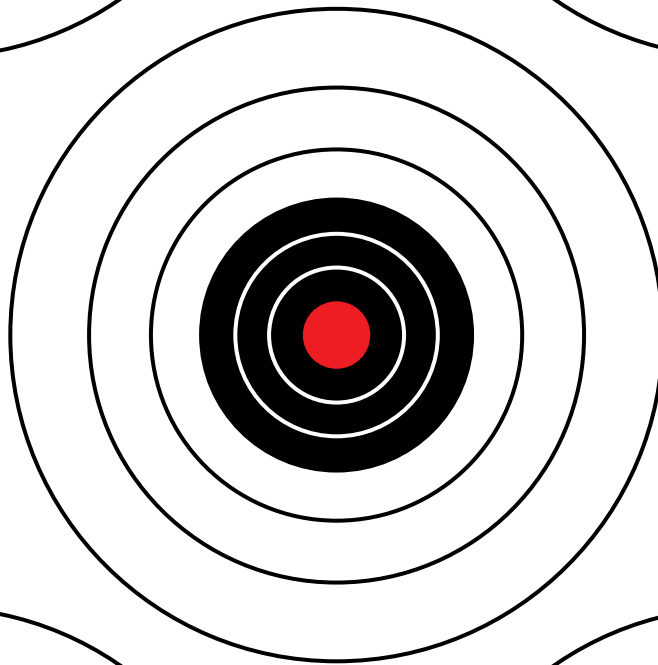

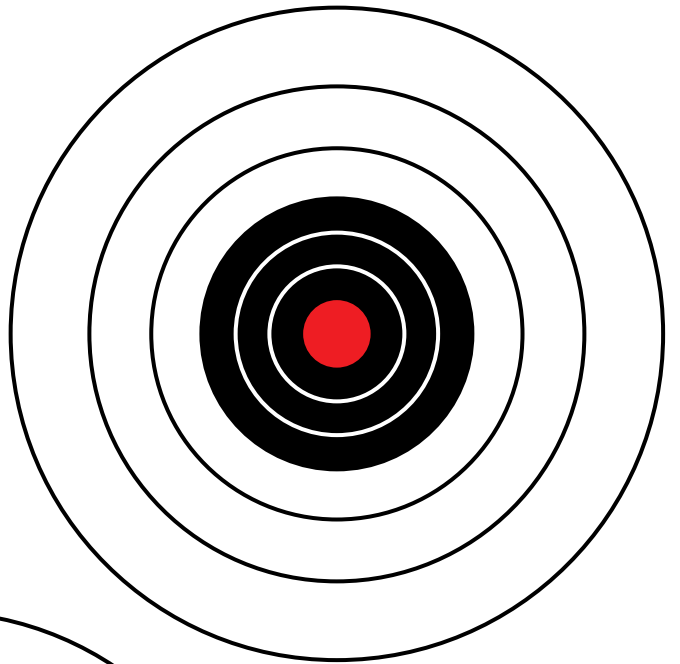

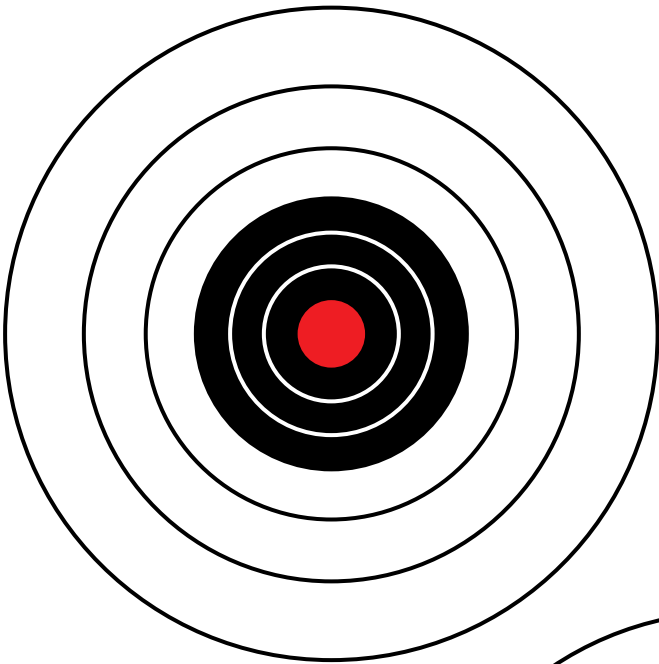

more to come...

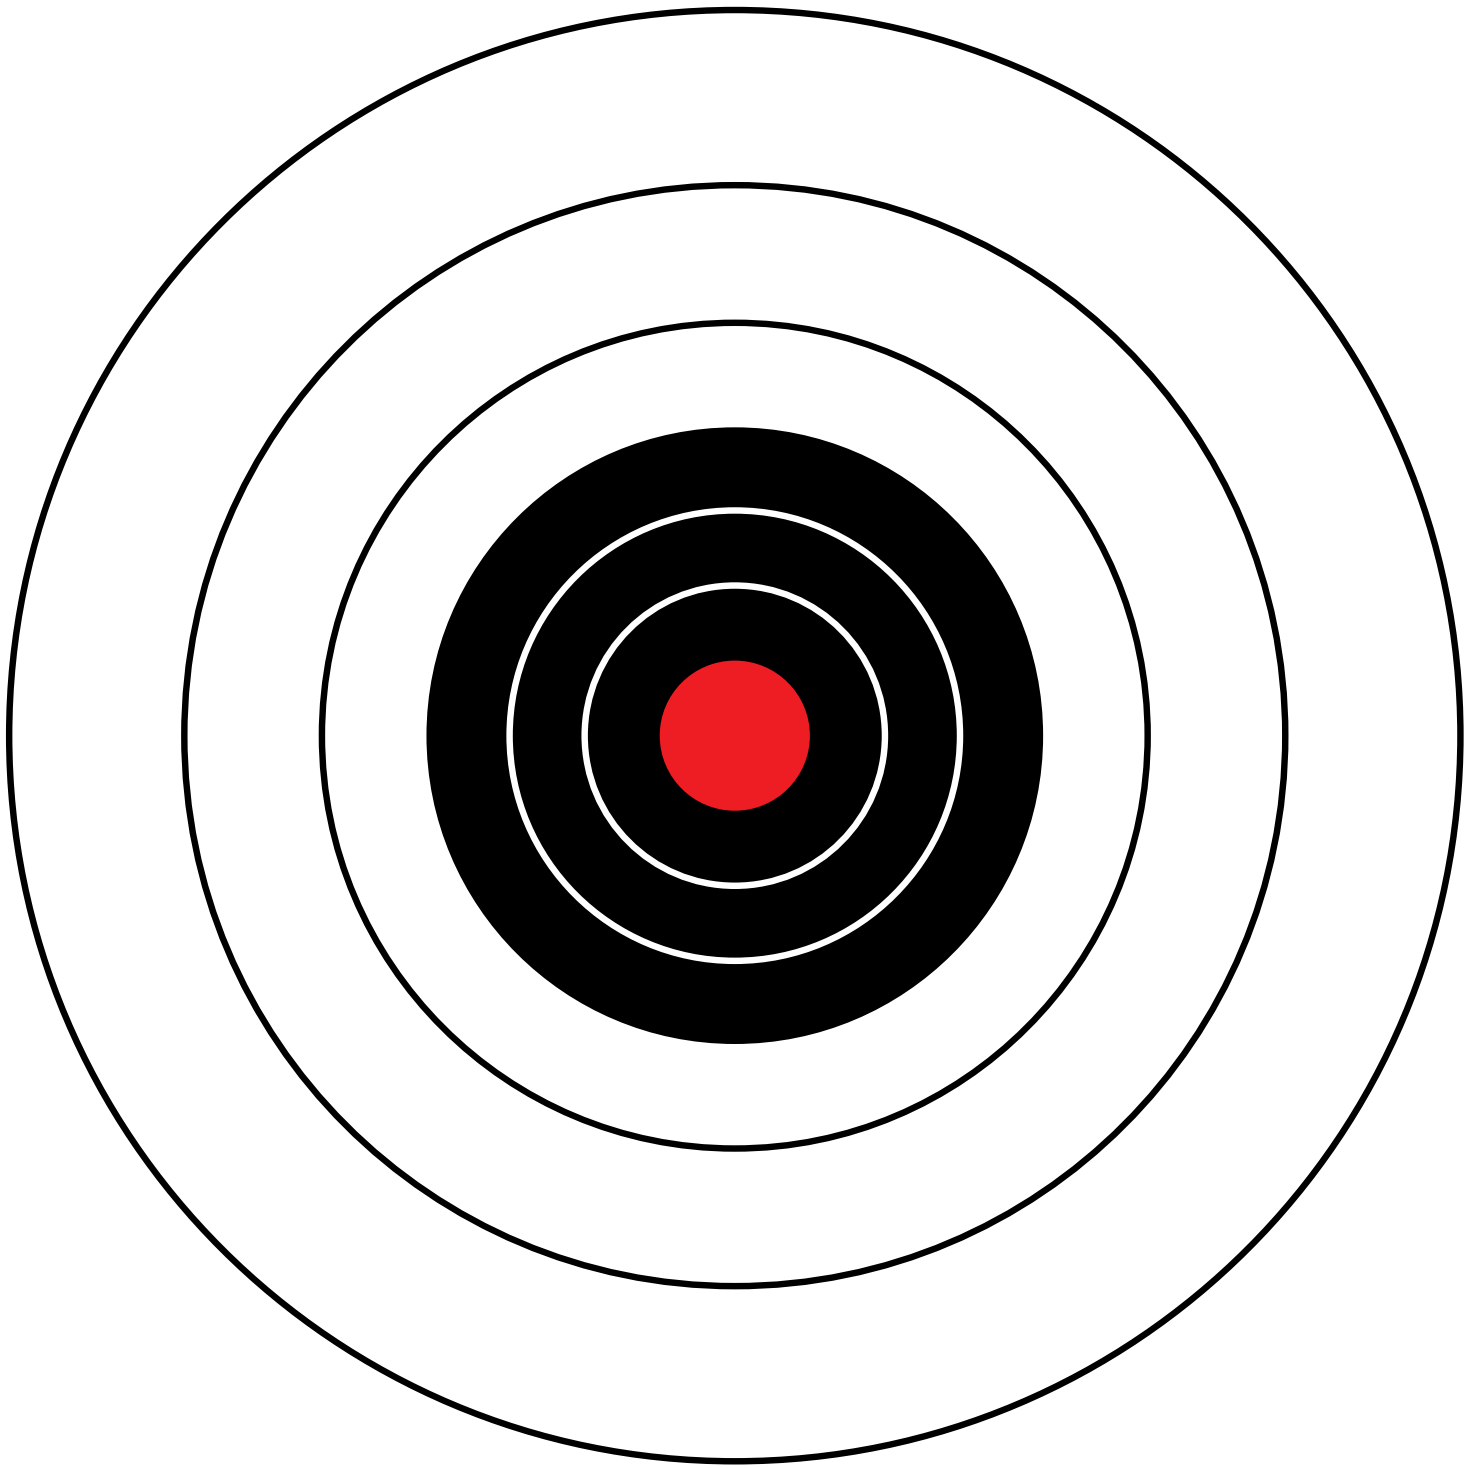

The targets included in this package are free for personal use only.
You may distribute these files provided you do not alter the contents
and do not sell them. Normal disk duplication fees are OK. Enjoy...

When printing a target, be sure to enter the page number of the selected target into the starting and ending range of the print dialog box or all the targets will print wasting time, paper and ink...

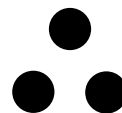

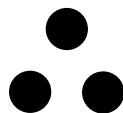

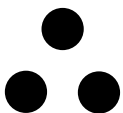

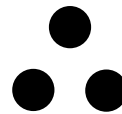

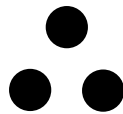

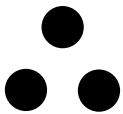

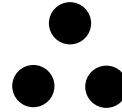

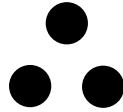

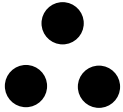

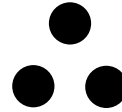

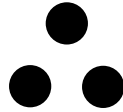

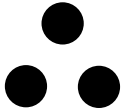

NOTE: The above targets are not official targets recognized by the NRA or any other shooting organization. They are merely top quality targets covering a wide range of shooting flavors great for training or competition between friends, etc. Think safety and shoot safely. May your aim be straight and true...
